

Letter of Authority

DNO Application Submission

Date: 2026-06-29

To whom it may concern,

I/we, the undersigned, confirm that I/we authorise Dorset Green Energy to act on my/our behalf in relation to the electricity network application for the property listed below.

This authority includes permission for the installer, or their appointed administrative/compliance representative, to prepare, submit, manage, and respond to any Distribution Network Operator application or correspondence relating to the proposed installation.

Customer / Property Details

Customer name: James Solar

Installation address: 99 Dno Street, Connection House, Poole

Postcode: BH14 8Sb

MPAN: 2000021587351

Installation Details

Technology: Solar PV / Battery Storage / Export Limitation

Installer company: Dorset Green Energy

Installer MCS number: 71264

Installer contact email: andy@clrd.app

Installer contact phone: 07708229968

Authority Granted

I/we authorise the installer named above to:

1. Submit the relevant DNO application or notification for the proposed installation.
2. Provide information relating to the property, supply, MPAN, equipment, inverter, battery, export limitation, and installation design.
3. Communicate with the Distribution Network Operator regarding the application.
4. Receive application responses, approvals, queries, or rejection notices from the Distribution Network Operator.
5. Provide additional information or clarification reasonably required to progress the application.

This authority applies only to matters directly connected with the DNO application or notification for the installation at the property listed above.

Customer Declaration

I/we confirm that the information provided for the application is accurate to the best of my/our knowledge.

I/we understand that the DNO may use this information to assess whether the proposed installation can be connected to the electricity distribution network.

I/we also understand that this authority does not transfer ownership of the electricity supply, property, meter, MPAN, or any other legal responsibility beyond allowing the installer to manage the DNO application process.

Signature

Customer name: James Solar

Signature:

A handwritten signature in black ink, appearing to be 'JS' or 'James Solar'.
